

OATH

As the below named inventor, being duly sworn, I depose and say that my residence, post office address and citizenship are as listed below next to my name; that I believe myself to be the original, first and sole inventor of a SERIES-RESONANT INVERTER BALLAST, which invention is described and claimed in the attached application; which application is a continuation-in-part of Serial No. 020,478 filed March 2, 1987; which application is a Continuation-in-Part of Serial No. 262,542 filed May 5, 1981; which application is a Division of Serial No. 178,107 filed August 14, 1980, now abandoned; that I do not know and do not believe that the same was ever known or used before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in the public use or on sale in the United States more than one year prior to this application; that said invention has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to this application; that I acknowledge my duty to disclose information of which I am aware and which is material to the examination of this application, and that said invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America; and that I have reviewed and that I do understand the content of the specification and the claims.
